## **AbhiBus and CheckMyBus Announce Partnership to Expand Global Access to India's Bus Network**

**Gurugram, 26th June, 2025:** AbhiBus (ixigo's bus business), one of India's leading online bus ticketing platforms, has entered into a partnership with CheckMyBus, a Germany-based global intercity bus metasearch engine. Through this collaboration, CheckMyBus will integrate AbhiBus's extensive network of 4,000+ bus operators and 3.5 lakh+ routes across India, making it easier than ever for both international and domestic travellers to search and book intercity and last-mile bus journeys across the country.

CheckMyBus operates in over 90 countries, across 21 local domains and 12 languages, offering a one-stop comparison platform for intercity transport. With this integration, travellers from around the world can now access India's vast and diverse bus network on a global platform, gaining visibility into routes, schedules and prices alongside other modes of transport.

Speaking on this, **Rohit Sharma, COO, AbhiBus**, said, *"This partnership is a major leap towards making India's extensive bus network more accessible to the world. By integrating with CheckMyBus, we're opening doors for international travellers to explore India with confidence, from the moment they land, all the way to their final stop. With Indian bus routes now globally discoverable, we're simplifying travel across the country and helping global explorers navigate it more affordably and effortlessly."*

**Marc Hofmann, CEO, CheckMyBus**, added, *"We are delighted to welcome AbhiBus's vast network onto our platform. By integrating thousands of Indian bus operators, we strengthen our mission to make bus travel a seamless experience worldwide. This partnership brings unprecedented access and convenience to intercity travel in India."*

Since its inception, AbhiBus has redefined bus travel in India with a customer-first approach and a host of innovative features, including features like Abhi Assured for reliable, on-time travel, Pink Seat feature for the safety and convenience of female travellers, Bus Insights for route and operator ratings based on real traveller experiences and seamless integration with leading private operators and state transport corporations (SRTCs). With continuous product innovation and a focus on traveller convenience, AbhiBus remains at the forefront of shaping the future of road travel in India.

### **[About AbhiBus](#)**

AbhiBus, is a leading online bus-ticketing platform that aggregates ticket inventory from over 4,000 bus operators - including major State Road Transport Corporations (SRTCs), covering more than 3.5 lakh (350,000+) routes across India. The AbhiBus website and apps allow users to check amenities provided by bus operators, compare booking fares, check bus timings in the searched route, live tracking of the

bus before arrival, cancellation protection options and other facilities. It is the official ticketing partner for several state road transport corporation bus tickets and IRCTC bus bookings.

AbhiBus is owned and operated by [ixigo \(Le Travenues Technology Limited\)](#), India's leading OTA for the Next Billion Users. With over 54 crore Annual Active Users in FY25, ixigo offers AI-powered train, flight, bus, and hotel bookings through its platforms - ixigo, ConfirmTkt, and AbhiBus.

### **About CheckMyBus**

CheckMyBus, headquartered in Germany, is the world's leading intercity bus search engine, providing real-time schedules and prices from thousands of bus operators globally. It operates in 21 domains across 12 languages and covers more than 90 countries. Recently, it launched its services in **India** as the first bus metasearch platform in the country, helping millions of users find the best bus routes and deals worldwide. CheckMyBus has a proven track record of international partnerships – for example, it shares bus content with travel giant KAYAK and is known for its strong global partnerships with major travel platforms and operators such as Bookaway, Busbud, Omio, FlixBus, National Express and 12Go Asia. Most recently, teamed up with redBus to integrate routes in Southeast Asia and LATAM – reflecting its commitment to expanding affordable, sustainable travel options globally.
